"Let us remember: One book, one pen, one child, and one teacher can change the world."

~Malala Yousafzai

From the desk of Ms. McLaughlin...

It is amazing the season of celebrating has begun already! Tonight we will have our Trunk or Treat party with over 30 families decorating trunks and tons of food for dinner in hopes of keeping the sugar levels from spiking too high. I am really looking forward to a great night of community and friendship and hope to see you there.

Next week we will be holding a retreat day on October 31, where children will come together in our faith. This is your reminder...next Wednesday is a noon dismissal and next Thursday school is closed! During the retreat every child will be creating their own "Rosary Rock" which they will decorate and fill with their prayers. These rocks will then be placed around campus as reminders of all God gives us each day and all the reasons to be thankful for those around us.

Our Gala will be coming very quickly and we cannot wait to see all of you for an evening of amazing auction items, food, casino games, and friendship. Then, before we know it, Thanksgiving will be upon us and my emails will be full of Christmas plans. In honor of All Souls Day we are keeping those who have entered the Kingdom of Heaven before us in our hearts, and if you can join us in our morning prayers you will hear all the Saints we ask to intercede for us each day.

Thank you all for the tremendous support you offer us all and for the joy you bring to campus. Your children are a delight to spend our days with and we are very excited about all the improved learning happening across campus.
